

How the lottery works

Unity is a lottery with a difference. Every week you have the chance to win our £25,000 jackpot plus many other fantastic cash prizes, and at the same time you're helping us raise funds to support our work. The more people play the more money we receive, so we need your support. For every £1 entry – at least 50p comes directly to us as profit.

The draw takes place every Saturday and each entry costs just £1. When you join the lottery you're allocated your own 6-digit Unity lottery number. A random winning number is drawn – the aim is to match the winning number. A match occurs if your digits are in the same place in the sequence as the the winning number.

How to join the lottery

Play the lottery and help bring little touches

A lot of our work is about the **little touches** that improve the experience of being in hospital. The specialist trained volunteers who provide companionship and feeding support for elderly and stroke patients, massage therapy for patients with dementia or cancer and the emergency care packs for patients who arrive in A&E without a toothbrush or comb are just a sample of what we provide.

Every penny that comes from our lottery helps us achieve **a better patient experience today and in the future.** Should you win £25,000 we will also receive £2,500.

You can view the results and see the rules at unitylottery.co.uk or call **0370 050 9240**
